## ACADEMIC DEGREES

- 1970: M.Sc. in physics, Warsaw University
- 1974: Ph.D. in biology, Nencki Institute of Experimental Biology
- 1984: Habilitation (D.Sc.) in neurophysiology, Nencki Institute of Experimental Biology
- 1996: Professorship in biology awarded by the President of the Republic of Poland

## POSITIONS HELD

- Since 1969: researcher at the Nencki Institute of Experimental Biology PAS, Warsaw
- 1988 – 2016: Head of the Laboratory of the Visual System at the Nencki Institute
- 2002 – 2014: Director of Department of Neurophysiology, Nencki Institute
- 2005 – 2009: Initiator and Chair of Neurocognition, Warsaw School of Social Sciences and Humanities
- Since 2014: cofounder and lecturer of Cognitive Studies at the University of Warsaw
- 2015 – 2018: Chairman of the Scientific Council of the Nencki Institute
- Since 2019: Professor at the Faculty of Philosophy, University of Warsaw
- Since 2020: Member of The Center for Systemic Risk Analysis, University of Warsaw

## INTERNATIONAL FELLOWSHIPS AND GRANTS

- 1974 – 1975: Univ. of Pennsylvania, USA. Postdoctoral fellowship at Prof. G.L. Gerstein laboratory.
- 1984 – 1986: Univ. of Gothenburg, Sweden. Visiting scientist. Collaboration with Prof. S. Lindström.
- Since 1992: 12 research grants from State Committee for Scientific Research, Poland.
- 1993 – 1994: James S. McDonnell Foundation grant, USA. Project Officer: Prof. Leo M. Chalupa.
- 1994 – 1995: Vanderbilt University, Visiting scientist, USA. Collaboration with Prof. Jon Kaas.
- 2001 – 2004: International cooperation in the BRAINS grant for Nencki Centre of Excellence, 5th EU framework program.
- 2003 – 2005: COST B-27 “Electric neuronal oscillation and cognition”.
- 2005 – 2019: Polish Representative in Governing Board of International Neuroinformatics Coordinating Facility (INCF)
- 2010 – 2013: International cooperation in the BIO-IMAGINE grant for the Nencki Institute, 7th EU framework program.
- Since 2012: Cooperation with Linköping University in Sweden

## **SPECIAL ACHIEVEMENTS AND FUNCTIONS, SCIENTIFIC HONORS & AWARDS:**

- 1975 – 2001: Four research excellence awards from the Polish Academy of Sciences (PAS)
- 1990 – 2002: Chief Editor, *Acta Neurobiologiae Experimentalis* (ANE)
- 1995 – 1997: President of Polish Neuroscience Society (PNS)
- 1996 – 1998: member of the Executive Committee of the International Brain Research Organization (IBRO) and the European Neuroscience Association (ENA)
- Since 1996: Governmental representative for development of neuroinformatics in Poland
- 2000 – 2009: Academic professorship at the Warsaw School of Social Sciences and Humanities (WSSSH); organizer and Chair of Neurocognition
- 2002 – 2014: Head of the Department of Neurophysiology of the Nencki Institute
- Since 2003: Editorial Board member of Neuroinformatics and Co-Editor of ANE
- 2004 – 2007: European Brain and Behaviour Society (EBBS) Committee member
- Since 2005: Polish Representative in Governing Board of International Neuroinformatics Coordinating Facility (INCF)
- 2006: The decade prize by Rector of WSSSH for scientific, teaching and organization achievements.
- 2008: Jerzy Konorski prize for the best neuroscientific paper in Poland (by PNS and Committee for Neurobiology, PAS).
- 2010: Knights cross of Order of Polonia Restituta for outstanding achievements in scientific work and the organizational activities (President of the Republic of Poland).
- 2011 – 2015: President of Committee for Neurobiology, PAS (2007-11, deputy President)
- 2012: Medal of National Education Commission for achievements in education
- Since 2014: peer reviewer for ERC consolidator grants
- 2017: Adolf Beck Prize for achievements in electrophysiology of attention by Polish Neuroscience Society
- 2017: Medal of 100-anniversary of the Nencki Institute
- 2015 – 2018: Chairmen of the Scientific Council of the Nencki Institute
- Nine invited lectures on international conferences, numerous lectures on universities in US, Sweden and France.
  - Program Committee membership of international neuroscience conferences: First INCF Congress (2008), 2005 FENS (Federation of European Neuroscience Societies) Forum of Neuroscience, four EBBS Annual General Meetings (1997-2006), four congresses of PNS (1992-1999, including one Chairmanship in 1997), 1st International Conference on Neuroergonomics (2010).
  - Supervision of twelve doctoral theses.
  - 84 papers in ISI journals; 30 chapters in books and textbooks, Editor of six academic textbooks and popular books on neuroscience.
  - Current member of (i) Didactic Council of Cognitive Science, UW; (ii) Scientific Council of Robert Zajonc Institute of Social Studies, UW.
